EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: The title has been changed to – Method of forming OLED donor sheet having a rigid edge frame--.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or fairly suggest a method of using a donor sheet wherein a donor sheet having organic material thereon has all four of the corners cut to form notches and then either the four notched edge side are either folded and secured to the main body of the donor sheet or over a rigid wire frame to form a rigid edge frame and then the organic material on the donor sheet is transferred to an OLED device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
